# Customers Use Carfixt to Get Their Car Repaired Now

Smart customers use Carfixt to avoid the hassle of researching and visiting shops on their own. Vehicle owners upload detailed information and photos through a streamlined user interface, and we pass that along to partner shops in real-time.

By leveraging Carfixt's proprietary software, you'll be able to focus more on completing work and increasing the volume of cars moving through your shop(s) instead of lifting the heavy burden of marketing your business.

## Get started in 3 simple steps

1. Create your profile

2. View photos & job details

3. Submit your estimate

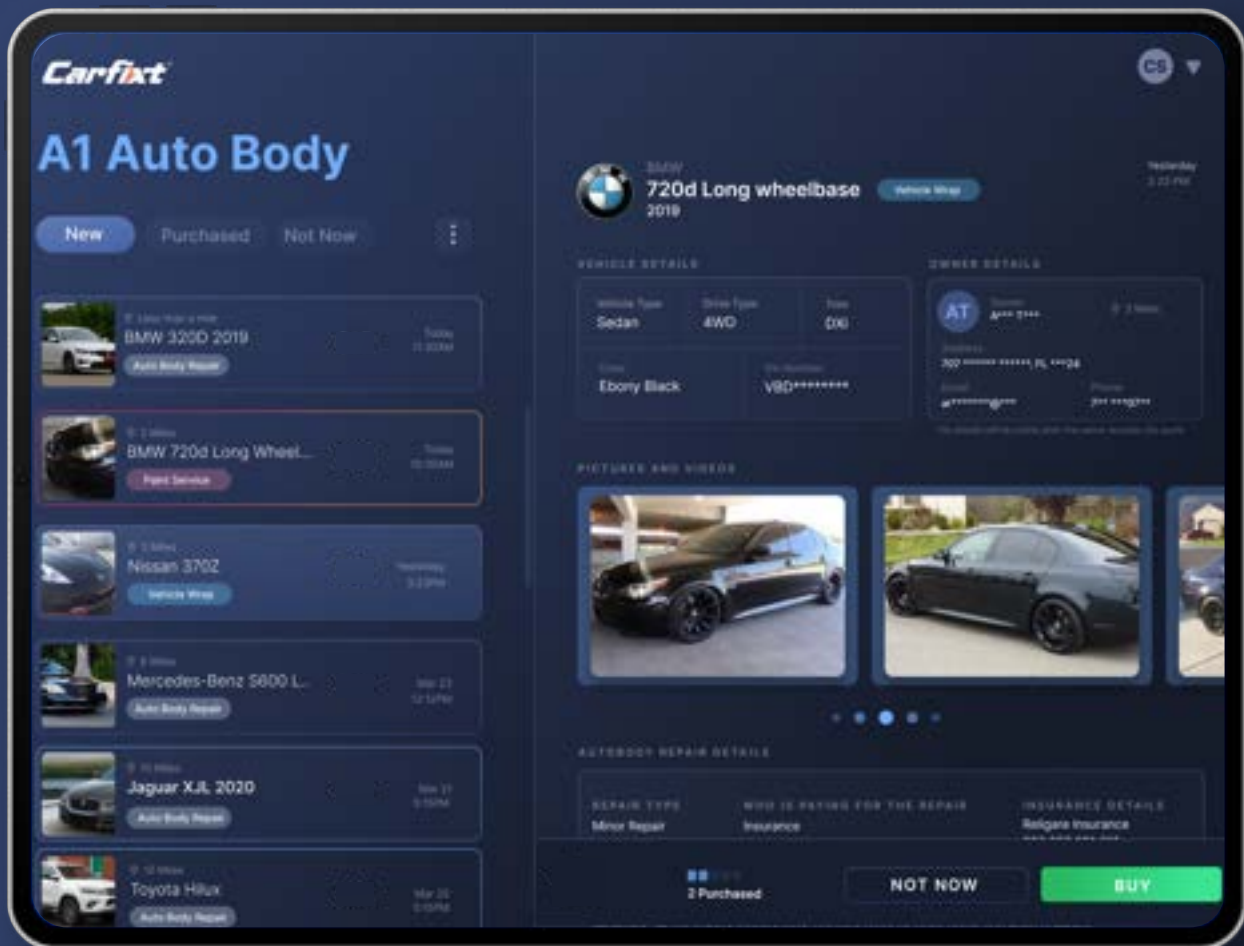

# A Robust Platform Built for the Auto Body Repair Industry

## Get Real-Time Leads

We deliver real-time leads and match drivers who are actively seeking auto body repair work with qualified, local auto body shops.

## View Damage Easily

Drivers submit photos of their vehicles, allowing you to make more informed cost estimates.

## Create Your Estimate & Manage Your Jobs

Create your estimate using our Carfixt Estimate Tool, or use your existing estimating software. Your estimate will be displayed in the Carfixt portal for the customer to review.

## Get Real-Time Job Notifications

Activate email and/or SMS to be notified each time a new lead has been routed to your shop.

## Role-Based Access & Permissions

Provide specific permissions and access based on your organizational roles within your company. Your account's security is assured with separate hierarchical roles for job estimators and full-access administrators.

# Maximize Your Shop's Exposure with Carfixt

Enhance your shop's exposure by receiving quality leads with high conversion rates. By using Carfixt, you don't need to waste time negotiating with a customer or answering questions that take time away from existing jobs. Increase your shop's productivity with access to all customer information in one single location. With time saved, you can now focus on the work you need to complete and increase the volume of cars that come into your shop(s).

We market your shop for you without the expensive price tag of advertising, and give you access to a much wider audience than the limited amount of traffic that enters your shop in-person.

## Why Join the Carfixt Partner Network?

- We invest time and money in your market
- You will repair more vehicles
- Increase your bottom line
- Expand your customer base
- Improve customer retention and presence
- Target your marketing budget with proven results
- Connect with active customers

## Carfixt Partner Network

Carfixt partner program is for licensed shops that want to grow their business by providing exceptional cosmetic & collision and tire repair services to their customers. Shops in the Carfixt network provide free, no-obligation auto body and collision estimates to consumers actively pursuing vehicle repair.

# Want to Learn More?

## How does Carfixt work?

When a customer needs auto body repair, they will input their location, job details, contact information, VIN, and photos of damage to the Carfixt portal. Our proprietary algorithms will then optimally allocate leads across our partner network.

## What kinds of jobs can I get?

Customers come to Carfixt to have all types of cosmetic and mechanical work done on their vehicles. From minor scratch and dent fixes to vinyl wraps or full frame straightening, we work with partner shops to determine which job leads are in demand and tune our marketing strategy accordingly.

## Why do customers use Carfixt?

Carfixt provides customers with fast estimates from professionals who are available and qualified to work on their specific vehicles. Simply put, Carfixt saves users time and energy.

## What else does Carfixt offer?

Carfixt periodically analyzes data generated by our platform so we can show you statistics relevant to shops and customers in your market. As our partner network and customer throughput expands, our technology will enable us to generate even more advanced analytics and tools for the auto body industry.

# Why Pros Join Carfixt

## Get more digital business & ROI

### **We take the hassle out of marketing your services.**

Instantly expand your reach and repair more vehicles. Carfixt professionals can see real-time leads as soon as they are placed. Connect with active consumers in your area who are searching to have their vehicles repaired now.

### **We invest time and money in your market.**

Our team invests in your market area to attract qualified leads and increase your bottom line. Our ads bring customers to Carfixt.com. By specializing in auto body repair marketing, we understand the hurdles of expanding brand recognition. Let us do the heavy lifting and provide qualified leads to your inbox.

### **We help build your customer base.**

Every qualified Carfixt job that you repair will increase the chances of more referrals to expand your business.

### **We provide ongoing support.**

We are in this together! As a Carfixt partner, your success is important to us. You will receive ongoing support and expertise from a Carfixt Customer Success Manager to help your business grow and succeed.

### **We assist with quality assurance.**

Measuring customer satisfaction illustrates to our body shop partners that their customers' opinions are valued. Recommendations are one of the most effective ways to acquire new customers. So, after each repair is completed, Carfixt will generate and send the customer a survey to obtain feedback on their repair. Our goal is to improve customer retention continually while giving consumers the ability to highlight the areas of your success or even note areas for improvement.
